Memorandum of Understanding (MOU)

Between

First Party- Deep Education Society
Deep's Degree College, Boisar

And

Second Party- Shree Panchal Samaj Madhyavarti Mandal's
YeshwantraoChaphekar College, Palghar.

Is signed on 22nd Day of June 2018

The purpose of this agreement is to promote collaboration and mutual cooperation between the two educational institutions for the benefit of their students and faculties.

The key points of the MOU are as follows:

1. **Sharing of Library Resources:** The first party agrees to provide access to its library resources to the second party. This includes books, journals, research materials, and other relevant resources. The terms and conditions regarding the access and usage of these resources will be mutually agreed upon by both parties.
2. **Faculty Exchange:** The first party and the second party agree to facilitate the exchange of faculty members between their respective institutions. This exchange will aim to enhance the academic and research capabilities of the faculties involved. The duration and specific details of the exchange program will be decided through separate agreements or arrangements.
3. **Student Exchange:** Both parties will encourage and support the exchange of students between their institutions. This will provide students with the opportunity to experience different academic environments, broaden their perspectives, and gain new insights. The exchange program will outline the eligibility criteria, application process, duration, and other relevant aspects.
4. **Student Development:** The first party and the second party will collaborate on initiatives and programs aimed at the holistic development of their students. This may include joint workshops, seminars, cultural events, skill development programs, and other activities that contribute to the overall growth of the students.
5. **Other Academic Purposes:** The MOU also encompasses other academic purposes, such as joint research projects, collaborative publications, curriculum development, and sharing of best practices. Both parties may explore additional areas of cooperation based on mutual interests and capabilities.

Duration and Termination: The MOU will be effective from the date of signing and will remain in force for duration of 2 year till 21st June 2020. Either party may terminate the MOU by providing a written notice of termination within a specified timeframe, as agreed upon in the agreement.

Governing Law and Dispute Resolution: Any disputes arising from this MOU will be settled amicably through negotiations between the parties. If the parties are unable to reach a resolution, the dispute may be referred to mediation or arbitration, as mutually agreed upon. The MOU will be governed by the laws of the jurisdiction in which the first party's institution is located.

Both parties acknowledge their commitment to uphold the terms of this MOU and work together in good faith to achieve the objectives outlined.

Memorandum of Understanding (MOU)

Between

First Party-Wada Nirmiti Education Society

**WADA COLLEGE OF MANAGEMENT AND SCIENCE,
WADA**

And

Second Party- Shree Panchal Samaj Madhyavarti Mandal's
**YESHWANTRAO CHAPHEKAR COLLEGE OF COMMERCE &
MANAGEMENT, PALGHAR**

is signed on 7th Day of June 2018

The purpose of this agreement is to promote collaboration and mutual cooperation between the two educational institutions for the benefit of their students and faculties.

The key points of the MOU are as follows:

- Sharing of Library Resources:** The first party agrees to provide access to its library resources to the second party. This includes books, journals, research materials, and other relevant resources. The terms and conditions regarding the access and usage of these resources will be mutually agreed upon by both parties.
- Faculty Exchange:** The first party and the second party agree to facilitate the exchange of faculty members between their respective institutions. This exchange will aim to enhance the academic and research capabilities of the faculties involved. The duration and specific details of the exchange program will be decided through separate agreements or arrangements.
- Student Exchange:** Both parties will encourage and support the exchange of students between their institutions. This will provide students with the opportunity to experience different academic environments, broaden their perspectives, and gain new insights. The exchange program will outline the eligibility criteria, application process, duration, and other relevant aspects.
- Student Development:** The first party and the second party will collaborate on initiatives and programs aimed at the holistic development of their students. This may include joint workshops, seminars, cultural events, skill development programs, and other activities that contribute to the overall growth of the students.
- Other Academic Purposes:** The MOU also encompasses other academic purposes, such as joint research projects, collaborative publications, curriculum development, and sharing of best practices. Both parties may explore additional areas of cooperation based on mutual interests and capabilities.

Duration and Termination: The MOU will be effective from the date of signing and will remain in force for duration of three years till 6th June 2022. Either party may terminate the MOU by providing a written notice of termination within a specified timeframe, as agreed upon in the agreement.

Governing Law and Dispute Resolution: Any disputes arising from this MOU will be settled amicably through negotiations between the parties. If the parties are unable to reach a resolution, the dispute may be referred to mediation or arbitration, as mutually agreed upon. The MOU will be governed by the laws of the jurisdiction in which the first party's institution is located.

Both parties acknowledge their commitment to uphold the terms of this MOU and work together in good faith to achieve the objectives outlined.
